MY WORK EXPERIENCE

PRODUCT DESIGNER

SCORPION INTERNET MARKETING

Santa Clarita, CA / August 2017 - Present

As a Product Designer at Scorpion, I focus on creating master website models that are later used by our Client Delivery Teams. **Our models have a strong emphasis on UX/UI functionality and responsive mobile designs.** Active models are personally tailored by our Small & Medium Business teams to each clients’ own specifications and are used across multiple verticals and industries.

GRAPHIC / WEB DESIGNER

DISNEY MEDIA & ENTERTAINMENT DISTRIBUTION

Burbank, CA / December 2013 - July 2017

As a Graphic / Web Designer at ABC.com, I was responsible for creating artwork and digital assets for the ABC.com website. Such work included: homepage key-art, image editing for photo galleries, updating blog and banner assets, generating advertisements and sponsorships ads. I worked directly with the Advertising Sales and Marketing Teams to complete artwork for high-end sponsors.

GRAPHIC / WEB DESIGNER

ACADEMY OF MOTION PICTURE ARTS & SCIENCES

Burbank, CA / December 2013 - July 2017

Worked seasonally on the Oscars.com website hosted by ABC.com. In addition to the responsibilities I regularly performed, I worked closely with AMPAS to ensure their site was up-to-date by working with their photographers and marketing teams.

GRAPHIC DESIGNER

DISNEY GENERAL ENTERTAINMENT CONTENT

Burbank, CA / September 2013 - December 2013

Briefly worked with Disney XD, Disney Junior, and Disney Channel in their General Entertainment Division. My responsibilities entailed: Generating TV bumpers, motion graphic stills, on-air promotions and advertising, and any other additional on-air graphics for Disney Junior, Disney Channel, and Disney XD.
